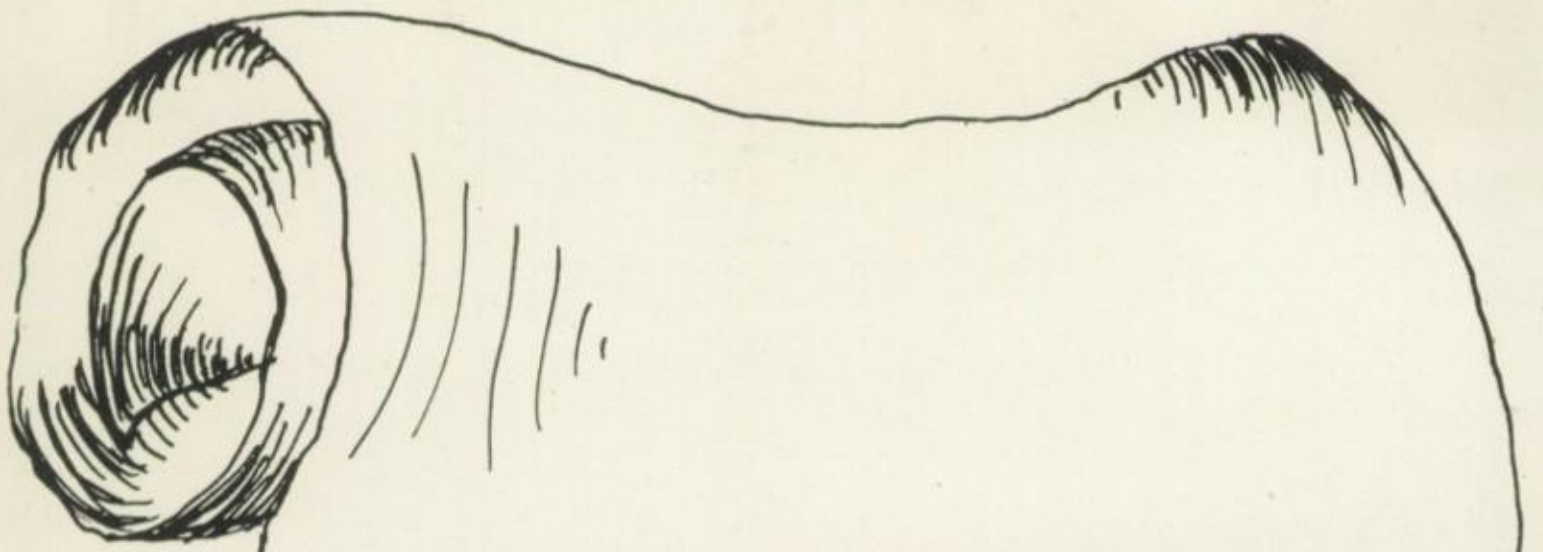
1963

"ADMIRAL"

FOREWORD



On September 8, 1959, we began the voyage on our ship that took us through four short years of many varied experiences.

We really had no idea of what was in store for us. We have experienced many situations — freshman initiation, proms, and football games. The memory of them will remain with us forever. We realize the importance of these past four years to our future lives.

Together for four years we will now part to go our separate ways. But, before we leave we would like to show our appreciation by paying "A Tribute to our Ship".

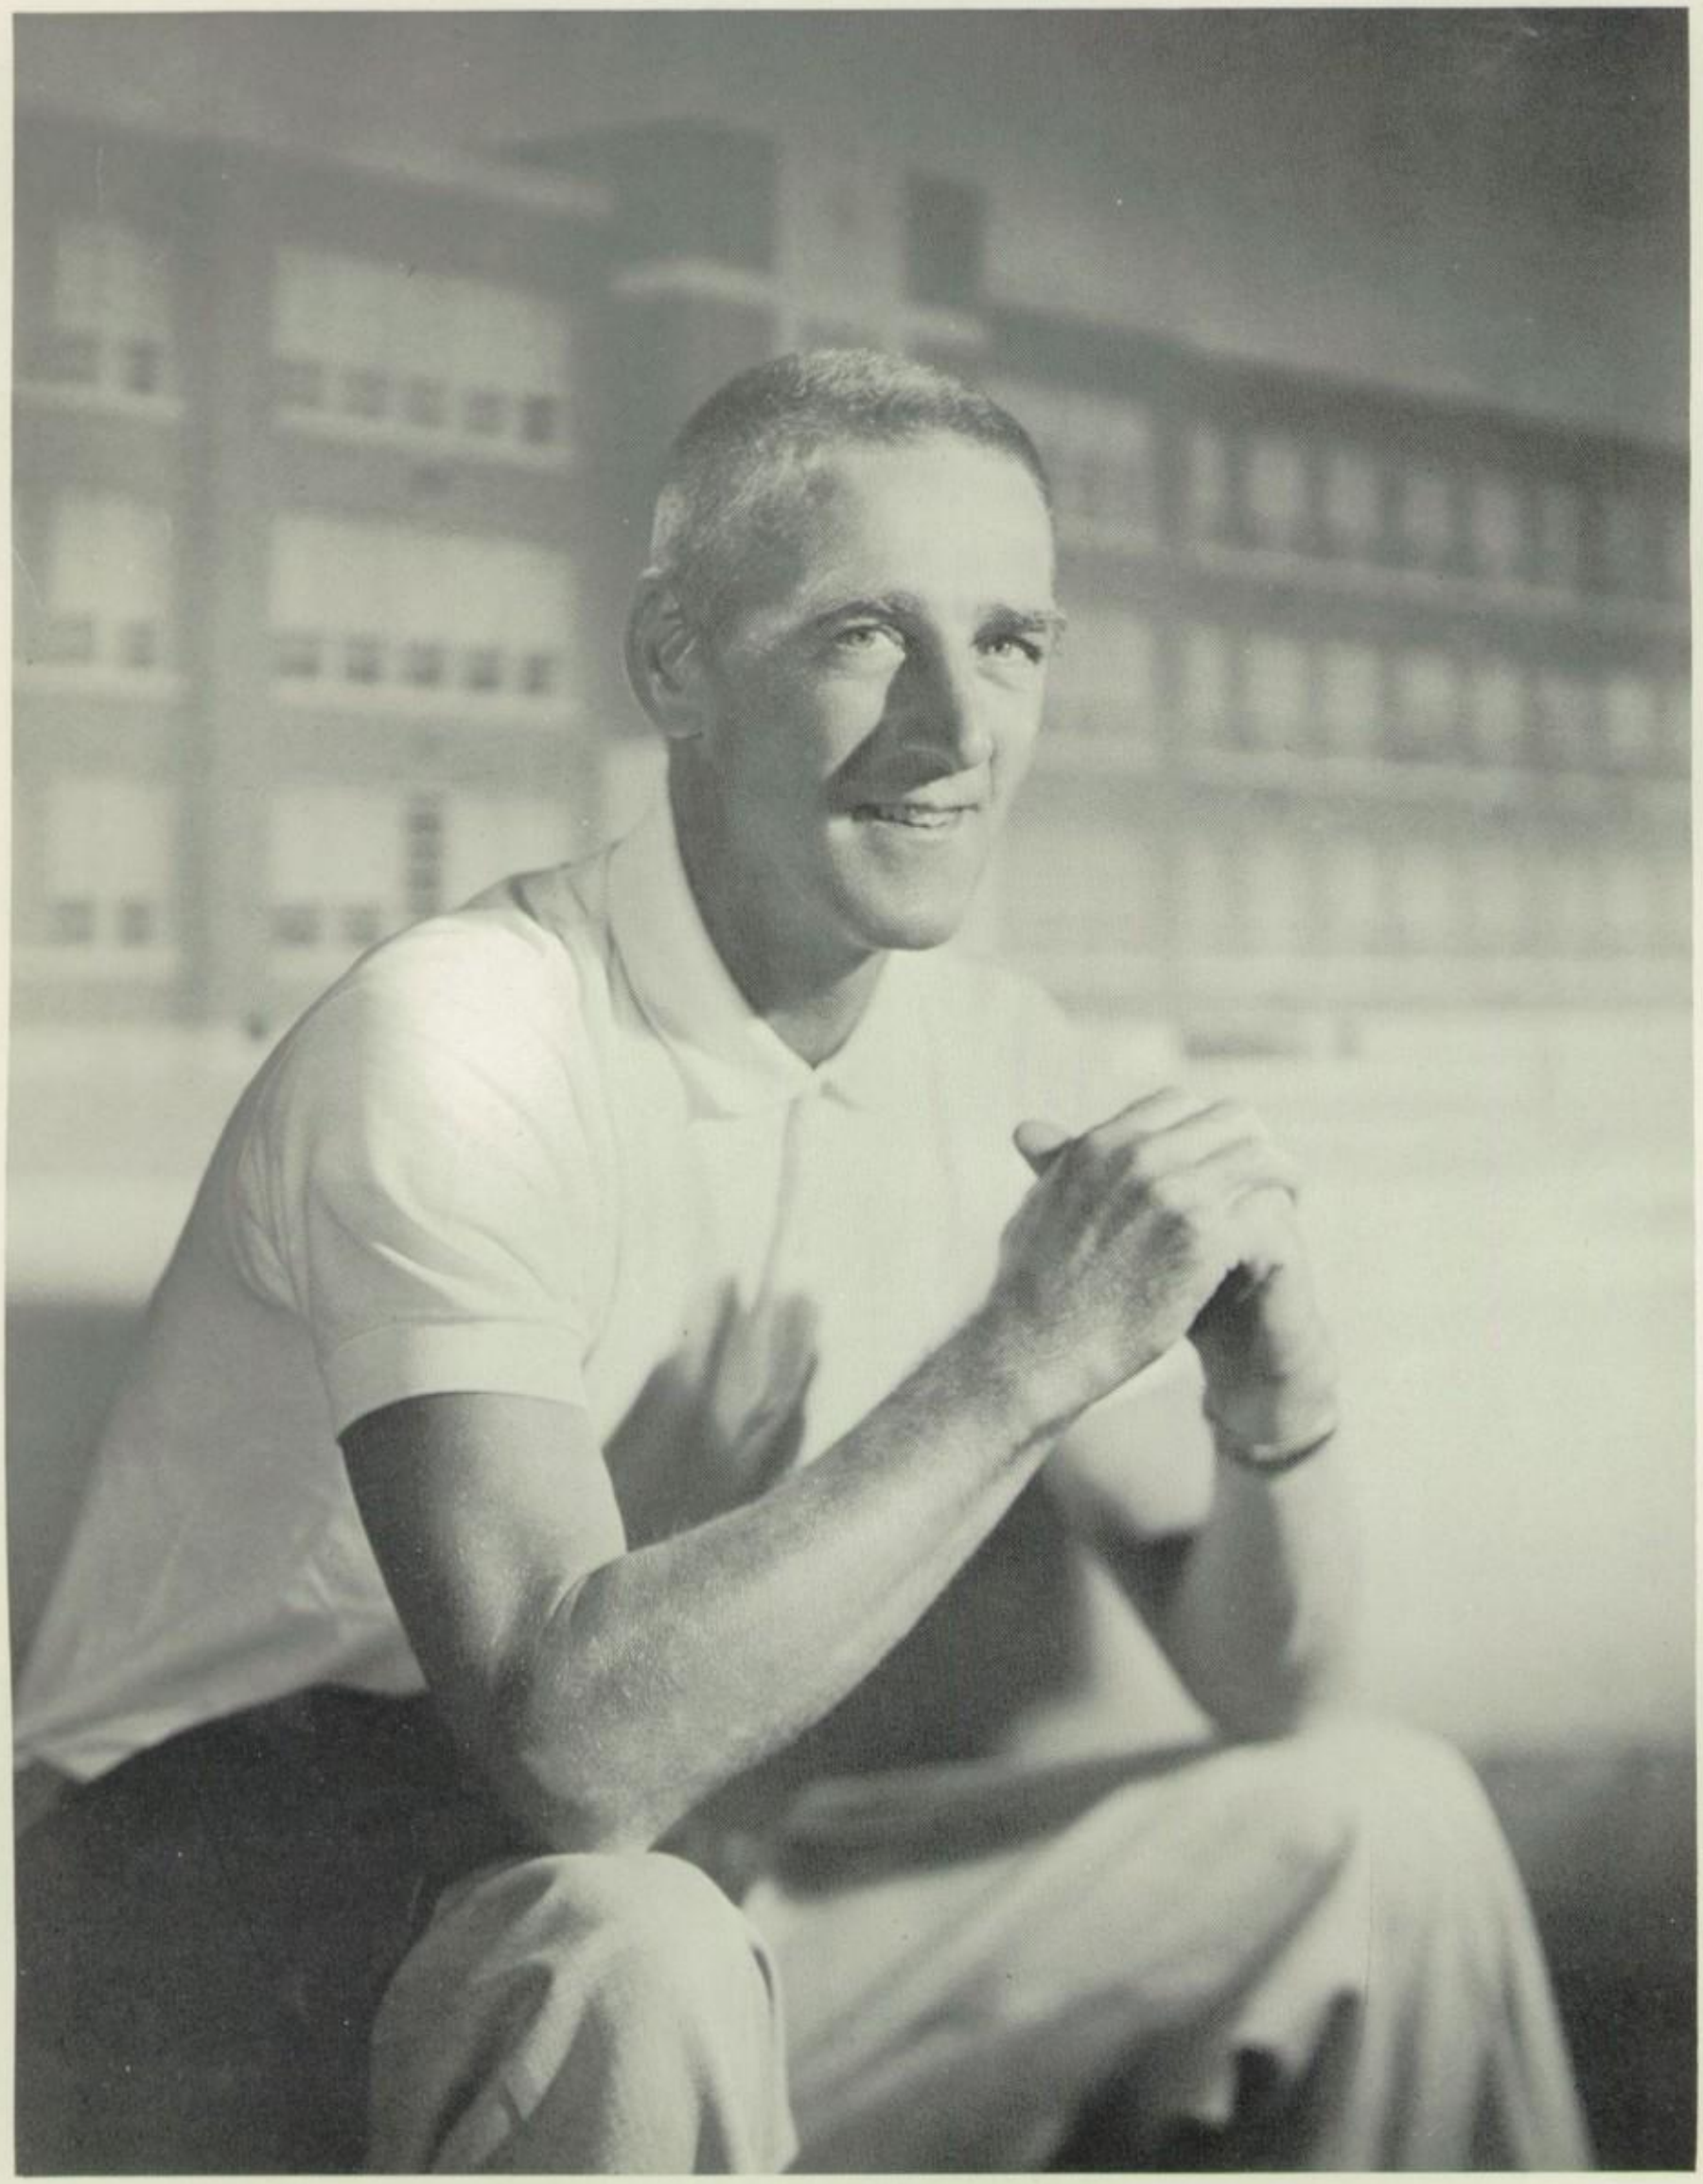
WE SALUTE . . .

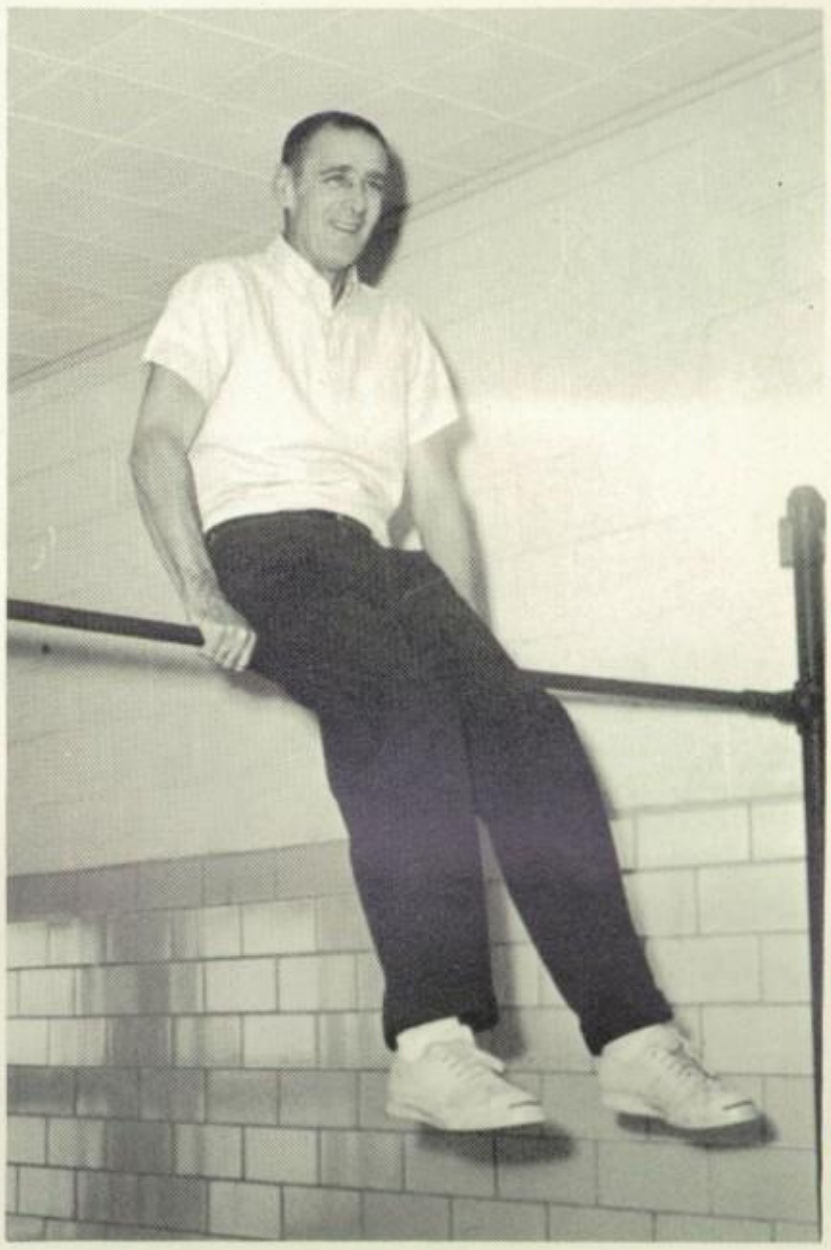
MR. JACK VEAZIE



In future years when we review our high school days there will be one person whom we shall long remember. His dovoted teaching, counseling, and coaching have impressed on us the value of citizenship and fair play in the game of life.

He has inspired enthusiasm in his students and admiration among his fellow faculty members. Those who have known him will not soon forget the lessons he taught nor the ideas he exemplified.

As a tribute to this outstanding educator and sportsman, we, the seniors, dedicate our 1963 ADMIRAL to Mr. Jack Veazie.



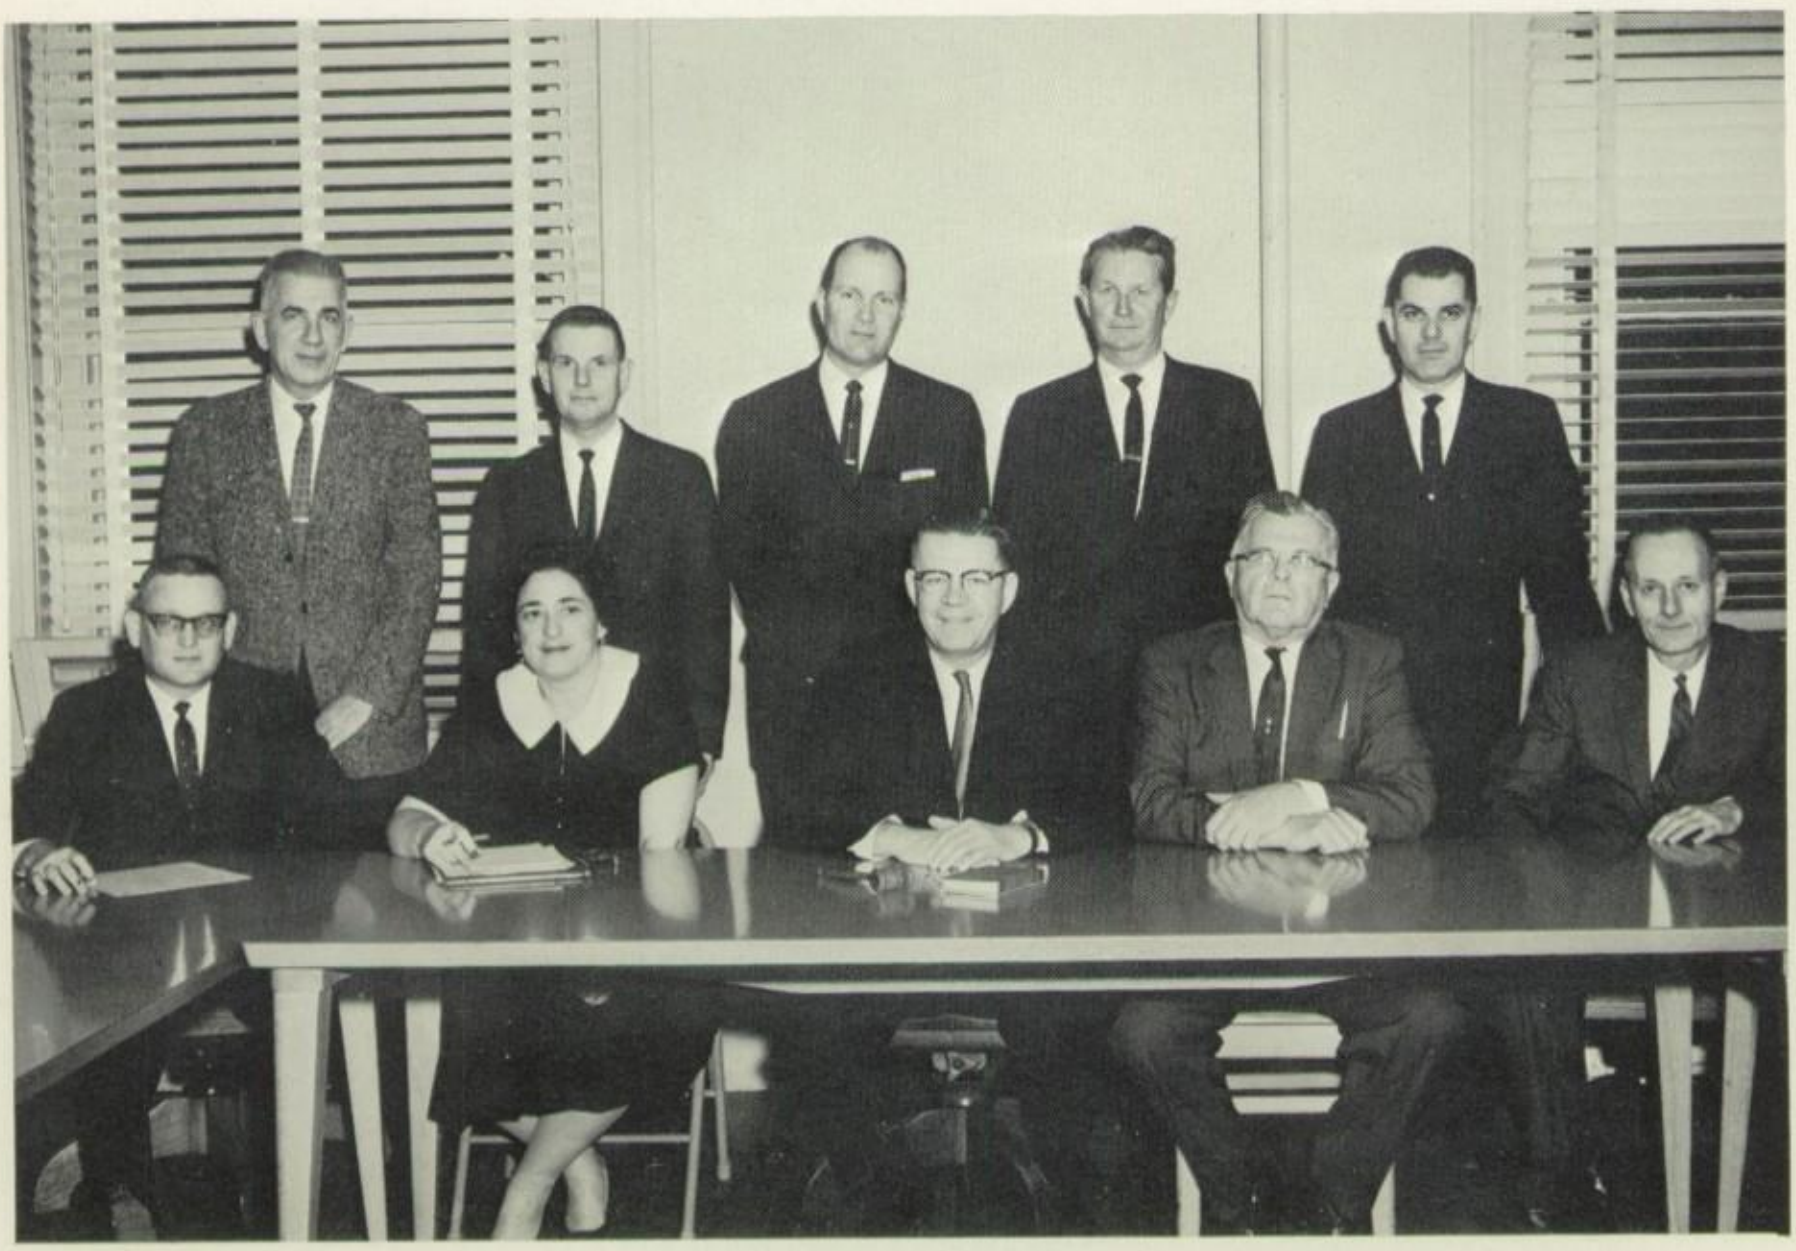
ADMINISTRATION

A. J. Mapp, Jr.
Superintendent of Schools

In the hands of the School Board is placed the future of the Cradock students. The Board has the authority over important rules and regulations.

These prominent men, well versed in the problems of school students, prove their wisdom and understanding many times in solving and eliminating worries.

SCHOOL BOARD



Standing, L to R: Guy Morris, C. B. Russell, John W. Shuler, J. H. Griffin, Robert E. Brinson.
Seated, L to R: B. M. Hutchins, C. H. Porter, Dr. M. A. Kise, A. J. Mapp, John E. Edams, Jr.

Cradock High School has been one of the guiding lights for members of the senior class for the past five years. The two most important factors in the life of an individual are his home and school, for it is in these formative years one's pattern of life is set. It is the hope of the faculty and administration that your direction as a member of the student body of this school has been wise and helpful.

Now that you, the seniors, are graduating, you will carry with you memories of your associations here throughout the years. **The Admiral** will give you a pictorial account of this, your most important year. Expression of appreciation goes to those of the editorial staff who have worked to make this copy of your yearbook a success. It is our desire that you will spend many happy hours in reminiscence of the days which have meant so much to you. This annual will help you keep alive these precious times.

Sincerely,

J. J. Booker, Jr.

CAPTAINS' LOG

In the year of 1959, early in September, there set sail over the Sea of Knowledge a magnificent fleet proudly bearing aloft floating banners of blue, white, and gold. Our destination was the Land of Graduation, but there were four stops to be made before reaching there. These were: Freshman, Sophomore, or Land of Wise Fools, and Junior, Senior, or Land of the Owls.

As Freshmen we were welcomed with the regular initiation, and ringing from all halls was the cry "We love Seniors!"

In our first class meeting of the year we elected Tommy Gillette, President; Connie Wolf, Vice-President; Cheryll Poe, Secretary; and Jackie Bishop, Treasurer. Our SCA Representatives were Patty Hales, Sandra Hayden, Cheryll Poe, and Diane Spence. Our class sponsors were Miss Scarborough (now Mrs. Vance), and Mr. Wulzer.

Yes, we had really started on our voyage. At last we were in high school, and so, eager to have our talents recognized we plunged into all activities. Our Freshman-Sophomore Prom, "South Pacific," was simply wonderful.

Upon reaching the Land of Wise Fools, we were again led by Tommy Gillette as our President, aided by Cheryll Poe, Vice-President; Connie Wolf, Secretary; Linda Day, Treasurer; and Eddie Mitchell, Sergeant-at-Arms. Miss Fary and Mr. Sindlinger were our sponsors. Our SCA representatives were Phyllis Miller, Cheryll Poe, Diane Spence, and Donna Hayden.

With the help of Virginia Darden and her committee our Freshman-Sophomore Prom, "Wonderland by Night," was a huge success, and we were very proud when Connie Wolf was Maid of Honor in the Beauty Contest.

Our Junior year was almost tops. Cheryll Poe was elected President and was assisted by Eddie Mitchell, Vice-President, who successfully took-on Cheryll's responsibilities when she left at mid-term. Our newly elected Vice-President was Barbara DePriest. Other officers were Virginia Darden, Secretary, and Linda Day, Treasurer. The job of guiding our class was given to Miss Mounie and Mr. Sindlinger.

We were happy to have Ken Hicks as Vice-President of the SCA along with Phyllis Miller, Kathy Thompson, Patty Hales and Peggy Jordan as Representatives. We also had the honor of having Betty Ann Weldon crowned "Miss Cradock" in the Beauty Contest and Jackie Bishop, Maid of Honor.

We were also proud when our class was responsible for two "Top Athletes", when Larry Chinn was named "Most Valuable Baseball Player," and Jackie (Pork Chop) Kennedy was honored with "Most Valuable Wrestler."

With Becky Howard and Brenda Keel as Prom Chairman, the Junior-Senior put us "Somewhere Over the Rainbow," and was THE GREATEST ever!

We ordered our class rings, and prepared ourselves as we set sail on the last lap of our voyage.

On September 6, 1962, we entered the Land of the Owls. We set out to prove that we were THE class, and would remain so unchallenged. Of course, those woeful Freshmen were the first to know.

We were now school leaders and all the other classes looked to us as an example of CHS at its best. To lead us we once again chose Tommy Gillette as President; with Phyllis Miller, Vice-President; Diane Spence, Recording Secretary; and Lynn Cooper, Corresponding Secretary. Our own Mrs. Adamson assisted by Mr. Sindlinger guided us through this, our final year.

We were very pleased that Eddie Mitchell was our SCA President, and he had the help of Becky Howard, Carl Rivenbark, Katy Thompson, and Brenda Keel representing our class on the Student Council.

The events of our last year slowly slipped away, and as we look back we remember, Freshman Week and the Back-to-School Dance, Homecoming, when Becky Howard was crowned Queen, Dedication of our annual to Mr. Jack Veazie, Basketball Season, the Senior Class Play, the Junior-Senior Prom, the Senior Banquet, SCA elections, and then—Exams.

The final days of our Senior year were full of wonderful, never-to-be-forgotten memories. More than one tear was shed during Bacculaureate and Graduation ceremonies. We found it hard to realize that we were no longer a part of Cradock High, for Cradock had been more than just a school; it had been four years of our lives.

As we stood together for the last time, we realized we were now approaching adulthood, and we were very grateful for the school that had tried so hard to prepare us to pilot our own ships. And so, as we pass through its portals for the last time as students, our diplomas in hand, we will take the knowledge, the guidance, and the very dearest memories—those of Cradock High.

AS THE DOORS OF LEARNING OPEN

As the doors of learning open . . .
As we leave, we say good bye;
We will not soon forget Thee,
Our Beloved Cradock High!

In today's Nuclear Age,
As rockets soar in space,
We, the younger generation,
Must keep up with the pace.

High school days have been great fun;
There are things we cannot measure;
Besides our books we have gained much;
And friends we'll always treasure.

We've learned to live with others;
We've raised our standards, too;
There is a debt we owe our teachers
Who each day taught something new.

Let us try to be a credit
To the school we leave behind;
Let's aim high for future years,
And be of service to mankind.

SENIOR CLASS SONG

As we stand here in the present,
Glancing back on years gone by,
We see that what we strive for,
Is achieved in all we try,
But we also look before us,
To the challenge of new ways.
We will build a train of wisdom,
And will ride it through our days,
We will always burn the oil of love
And our lamps of life we'll fill.
We will unite a world for man and child.
With the mortar of good will,
We will dream beneath the shining stars,
And will keep our heavenly tie,
And through our lives we'll thank
the guiding hand,
Of our honored Cradock High.

COMMANDERS

Junior Class President
Phil McMillion

Through their fine spirit and willingness to work together, the Juniors have made this year one of our most memorable at Cradock.

Thinking back on our many activities, the main event that comes to mind is the Junior-Senior Prom. The work and planning that went into this dance made it truly "A Night To Remember." Also, we remember that long awaited day when we "finally" received our Senior Class rings.

As all the events of our Junior year become memories, we, the class of '64 face our Senior year with eagerness and enthusiasm.

ENSIGN'S

Freshman Class President
Christine Grigas

Under the successful leadership of Christine Grigas, class president, the Freshman Class had a very rememberable year. Our sponsors, Mrs. Malcolm and Mr. Blake, were very helpful.

This year the Freshman Class was represented in the Homecoming festivities by Debbie Atkinson and Chuck Collier.

With the help of the Sophomore Class we can truly say our Prom was a great success.

We have had an exciting and prosperous year and we are looking forward to the next three years at Cradock High.

It has been a happy occasion for us, to spend our first year in Cradock High. This is an experience to which we have looked forward for years.

We trust that we have taken our place among the Admirals. It has been a fruitful year for which we owe our class sponsors, Mrs. Trent and Mrs. Jeffers, the officers, and the S.C.A. representatives.

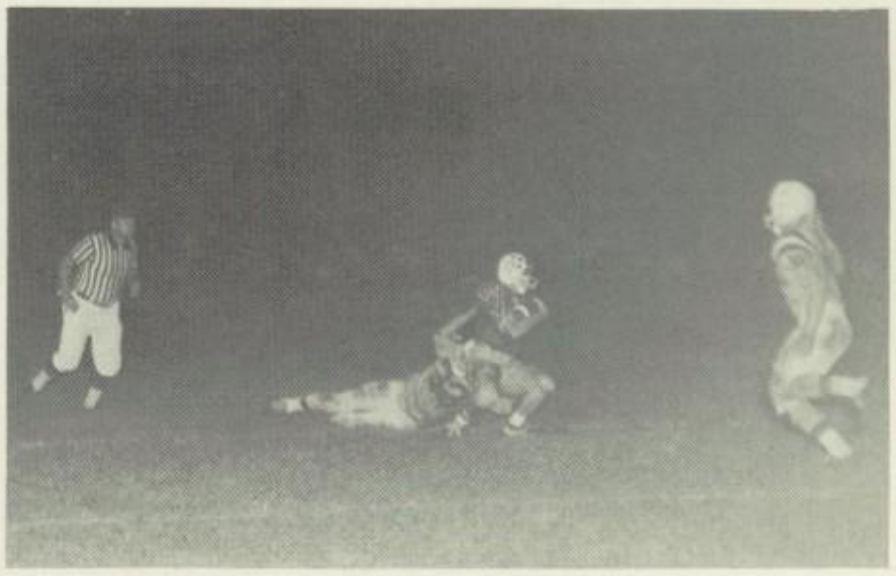
Cradock 13 **Deep Creek 12**

Although a little shaky, Deep Creek had a very fine showing in its first Group I Football game. Larry Chinn showed a fine performance in leading the Admirals to their first victory of the season. Defensive standouts in this battle were Pork Chop Kennedy, Donnie Rose, and Larry Chinn. All three played both ways for Cradock in this most important battle.

Cradock 0 **Great Bridge 6**

This was indeed a defensive battle for both teams. The powerful Wildcats had a mighty hard time getting past the much improved Cradock defense. Although our offense failed to score, a great effort was made by the whole offensive team. Once again Kennedy, Rose, and Chinn put on a good show; this time aided by Lester Smith and Tex Gillette.



Cradock 12 **Oscar Smith 12**

This proved to be one of the shockers of the season. Smith was highly favored in this one but the mighty Admirals gave them the battle of their lives. Larry Chinn, Ralph Geabhart, Buddy Pleasants, and Tommy Salas, along with the whole offensive forward wall made a great showing. Kennedy, Rose, Gillette, Smith and "Monster Man" Griffin put on a very fine showing defensively by helping to hold the powerful Oscar Smith eleven to just twelve points.

Cradock 6 **Granby 2**

The Admirals just did get by the fired up Comets. Once again it was the defensive squad that saved the day by holding the Comets to two points. The defensive front wall proved to be a great asset to Cradock's game. Cradock's defensive squad was now recognized as one of the best in the district.

Cradock 38 **Suffolk 6**

The Red Raiders never gave up in their useless battle to raise the score against the mighty Admirals. Every member of the Admiral squad had his chance to show Coon Weldon what he could do in the line of battle. The whole offensive squad functioned 'ogether, as a team in this win over Suffolk.

Cradock 19 **Maury 0**

In this game the Admirals were able to show their stuff to the Old Grads. This victroy for the Admirals ended a week of Homecoming Festivities. The Maury eleven couldn't penetrate the defensive wall of the Admirals while the Admiral offense rolled over the Commodores.

Cradock 13 **Princess Anne 14**

The Admirals seemed to be carrying a black cat in this game, as nothing went right for them. The boys worked their hearts out in this one, headed by Ralph Geabhart and Larry Chinn on offense. Defense had a good showing in holding the P. A. passing machine to fourteen points.

Cradock 7 **Norview 0**

This proved to be Tommy (Tex) Gillette night. He was everywhere while catching two of Ralph Geabhart's passes and sneaking in a few Pilot passes too. With the help of his buddies who played a fine game, they were able to end a seven year losing streak against the Pilots.

Cradock 20 **Churchland 13**

The Admirals had a little trouble in holding the Churchland eleven back. The Truckers couldn't quite stop the Cradock eleven which was skippered by quarterback Ralph Geabhart. Bernie Combs' 56 yard touchdown jaunt helped out quite a bit too. Kennedy, Rose, Griffin, Smith, and Gillette played their usual good game in posting this win against Churchland.

Cradock 6 **Wilson 33**

The only good thing about this game was Ricky Winkler.

HISTORY

This year Cradock had one of the youngest teams in the history of the school. It was led by Seniors, Larry Chinn, Paul Perdue, Tommy (Tex) Gillette, Eddie Mitchell, and Bobby Howell.

Cradock suffered a great loss when Larry Chinn had to leave the team because of ineligibility.

The leading scorers were Larry Chinn, Paul Perdue, and Doug Gilmore.

With ten of the fifteen squad members returning next year, hopes are running high for a championship team in the near future.

The Admiral Wrestling team had hopes for a winning season but suffered from inexperience with only five of the starters returning from last year.

The Admirals this year were led by Captain "Pork Chop" Kennedy who took third in the state last year.

With eight starters returning next year the wrestling team will progress rapidly in its race to be recognized as one of the better wrestling teams in the state.

Mr. Jack (Sweetwater) Veazie is very proud of "Pork Chop" Kennedy who was the FIRST Cradock wrestler to complete a season undefeated.

SCHOOL . . .

To serve the community, the council has sponsored the food drive and the Christmas party for underprivileged children. For the students there have been homeroom reports, student cards, and various council-sponsored activities.

In September the Public Relations Committee was set up. Surely this committee, together with the whole council, has achieved its main goal.

In 1865 the slave trade was outlawed in the United States. But, ninety-eight years later in the port of Cradock, the N. H. S. Booker put in with a hold full of young and vigorous slaves ready for the auction block. The citizens of Cradock eagerly gobbled up the offerings and soon revived the fine art of slave beating.

You see, these were not average slaves. They were from a little known tribe and were not only energetic but also scholastically advanced, making them able to do both physical and mental labor.

Although illegal, the slave trade flourishes again!

INTER-CLUB COUNCIL REGULATES CLUB ACTIVITIES . . .

The Inter-Club Council meets on the first and third Monday of each month in room 231. The meeting is called to order by the president, the roll is called and the minutes read. Under typical business at hand, the "Club of the Month" committee makes its selection and projects for the various clubs are approved by the Council. After all matters have been discussed, the meeting is adjourned until the next regular time.

1st row, (L to R): Valerie Hill, Sandra Palmer, Eileen Spahn, Patsy Thomas, Brenda Keel, Leslie Hall, Linda Crowe. **2nd row:** Randy Bryant, Kent Saunders, Donald Chapman, Gary Carlton, Joe Oliver, Jeb Britton, Mike Wise, Paty Hales. **3rd row:** Miss Brown and Mrs. Wood.

QUILL AND SCROLL HOLDS ANNUAL INDUCTION CEREMONY

The main event of the year for the Ruth Credle Chapter of the National Quill and Scroll is the annual induction ceremony held in the spring. This year Quill and Scroll members, looking for an original idea for the assembly, decided upon a skit concerning the value of the newspaper in this modern world of radio and television. The skit revealed many uses for the newspaper totally unrelated to reading. Although humorous, the assembly make its point that the greatest value of any newspaper, magazine, or book is its "word power".

THESPIAN SOCIETY PREPARES FOR THE THEATRE OF LIFE . . .

When an actor hears a roar of laughter after a humorous line or the thunder of applause after the curtain goes down, he knows that all his work and effort has been rewarded.

Thespian Troupe 1492 has truly helped to make this year a memorable one in the minds of Cradock High School Students. Though they are few, the Cradock Chapter of the National Thespian Society has proven itself worthy of its motto . . . "Act well your part; there all the honor lies."

1st row (left to right): Betty Forbes, Mr. Blake, Rita Hall. **2nd row:** Ginny Daughtrey, Nat Malcolm, Linda Fisher. **3rd row:** Jesse Jones, Lindsey Alston, Kenneth Hicks. **4th row:** Larry Bashford, Roy McClenny.

PICTURES ARE BIG BUSINESS OF ART CLUB . . .

1st row (l to r): Lois Jacobs, Kent Saunders, Eileen Spahn, Gilbert Ausburne, Glenda Miles. **2nd row:** Robert Jacobs, Pat Livine, Shirley Stout, Betty Long, Kathy Adams, Mrs. Staffon. **3rd row:** Ric Skelton, Karl Saunders, Billy Leary, George Perrot.

Through the years the Art Club has used flowers on our floats. Mrs. Staffon our sponsor suggested that we use papier mache this year instead of flowers. One night we made a globe with chicken wire and two-by-fours. The next time we covered it with paper mache. That night the wind blew the paper mache all over the place. The following evening we were ready to give up but with a little encouragement we started making crepe paper flowers and a smaller globe.

We just barely made it for the parade.

BIBLE CLUB PUTS RELIGION IN DAILY LIFE

The Bible Club has been busy this year giving devotions at all P. T. A. meetings and every Thursday morning over the public address system. We feel that these devotions are not only beneficial to the student body, but also to the one who presents them.

Our chaplain has the important task of either selecting a club member to bring the devotions or doing so himself. We give a vote of thanks to him and to everyone who has participated in this project.

ADMIRALS TRI-HI-Y IS ON THE GO . . .

Confusion! What could cause more mischief or disturbance than an enormous group of girls busily preparing a float for homecoming? The smiling faces, the giggling, and the atrocious collection of hair setting devices are all part of this scene.

But, despite the comical mood, diligent hands set out to complete their project with perfection. Time has no meaning when a goal is set, be it easy or hard, and the girls of Admirals throughout the past year have been able to know the satisfaction of successfully completing their objectives. They can look back on many enjoyable memories.

"And you think you've got spirit."

ADMIRALS HI-Y FACES "NEW FRONTIER" . . .

L to R top row: Jeb (Chickenboy) Britton, Greg Price, Billy Waters, Wayne Prince, Tommy Cesler, Richard Cesler, Billy Bazmore, Sammy Baroody, Harold Dodge. **2nd row:** Don Jenson, Wayne Edmunds, Mike Wise, Mike Tilley, Donald Chapman, Gary Carlton, Joe Spivey, Robert Parker. **3rd row:** Mr. Masters, Jimmy Almond, David Ralph, Ed Wikle, Albert Doumire, Jack Parrish, Bernard Cook, Chuck Beale, John Smith, David Beale.

Ahhhh! was Republican Harold Dodge's reaction to being strung up the flag pole by his heels! He was strung-up because he had not participated in Admirals car-wash. The other Admiral cabinet members considered Dodge's action a cardinal sin; since, they had washed cars with great vigor, in freezing cold weather.

The project was held under the able leadership of Jeb Britton. The purpose for the project was to raise money, without raising the tax-like dues, to finance the new frontier and pay the organization's bulging debt.

As long as the liberal leadership continues the organization will surely move forward with great vigor.

OFFICERS, l to r: Jeb Britton, Billy Waters, Chaplain; Joe Spivey, Vice-President; Harold Dodge, Treasurer; Mr. Masters, Sponsor; Donald Chapman, Secretary.

KAPPA TRI-HI-Y HAS CASUAL CAPERS . . .

OFFICERS, Left to Right: Treasurer, Joyce Van Sant; Vice President, Renay Saunders; President, Randi Bryant; Chaplain, Sylvia Stewart; Secretary, Linda Kendrick.

Kappa Tri-Hi-Y started the year with a rousing pajama party. Being a club of young Christian women, the initiation of thirty new members could not be too drastic. The events of the night, though not dramatic, proved to be interesting. Popcorn was spread from one room of the house to all the others. The radio blared all night as some girls danced, some played games, some ate, and some just talked.

With the participation and enthusiasm shown at this party, Kappa has given every indication of having an active and successful year.

"Rub-a-dub-dub"

The big event of October was the Sigma Car Wash. All the girls were getting reservations from their parents for their cars to be washed. Boy friends were hitched into bringing their priceless jalopies to get their once a year wash.

Everything was in place, everyone had a rag in their hand and we were ready to wash. All of a sudden we discovered there was no soap. You have never seen a bunch of girls run so fast to their houses as we did. But after we got soap everything turned into a big success.

This was just one of the many activities we had during the year. At each and every one we had full support and full fun. We hope next year is just as full of activities.

The idea for the float was superb! Everything was gathered from the cardboard to the thumb tacks, from crepe paper to tape. Hours upon hours of laborious preparation had preceded and now the glorious day arrived. The greatest expectations reached a peak! When to our surprise, the truck, which was to be the foundation of our beautiful float, did not materialize. However, we rallied by cutting down the size of our plans. It may have been only a paper lion on a push-cart jungle, but it was our Homecoming float.

"I work here, why shouldn't I get a discount!"

FUTURE NURSES TOUR LOCAL HOSPITAL . . .

Each year the Future Nurses of America look forward to visiting Norfolk General Hospital. They meet at the student dormitory and are escorted by some of the student nurses through the hospital and dormitory. The students are helpful in describing their work and the type of patients they treat. Our favorite part of the hospital is the children's ward. We were fortunate in being able to visit many places that are not open to the public. After our tour, we went back to the dormitory where refreshments were served and a movie shown. The nurses then tried to answer all of our questions.

Future nurses get lots of early practice.

FUTURE HOMEMAKERS VALUE BALANCE . . .

The Future Homemakers of America is a very active club. They participate in many projects on the local and state level. One of the most interesting is the fashion show presented each year with the participants modeling clothes which they have made. Everyone enjoys working on this project and learning from the experience in the meantime. Often they are amazed at their creative ability and well pleased with their accomplishments.

SUPPORTS SCHOOL ACTIVITIES . . .

There is practice each morning of the week, rain or shine, and individual practice each evening. A good musician always finds room for improvement and Cradock High is fortunate to have many. No matter what the time and effort used, the thrill of doing something for our school and doing it well seems to make it all worthwhile.

MUSIC HATH CHARMS . . .

Echoing through the halls of Cradock High School are the various combinations of bass, tenor, alto, and soprano voices. Fast, staccato music escaping from the chorus room cause even the deadest feet to begin tapping. On the more serious side, religious songs are also learned and captivate any audience.

The enthusastic efforts of our chorus students have brought to Cradock a world of entertainment that can extend itself to any setting and prove enjoyable to everyone.

D. E. STUDENTS ENCOURAGED TO ACHIEVE THROUGH LEARNING . . .

Yes, That's a special today.

An unknown author once said, "He who has reached a place in life where he no longer wishes to learn has reached a place in life where he is of little value to himself or to his associates."

The emblem of the Distributive Education Club is the diamond with the four points of the diamond representing vocational understanding, civic consciousness, social intelligence, and leadership development. The diamond itself represents value — the value that one will receive from life if he becomes competent in his vocation, is aware of his civic responsibilities, is socially acceptable, and is a leader when necessary and a follower when required. Above all, the Distributive Education student, through the Distributive Education Club, is encouraged to achieve through continuous learning.

Each year the Diversified Occupations Club of Cradock High School sends one project from each of the fourteen different occupations it represents to the district convention. District winners go to the state convention which is held in the early spring.

We have been very fortunate in past years to have several district and state D. O. Club winners. This year members of the Club have worked extremely hard to produce the best notebooks and other projects possible and we are looking forward to having several more first place winners added to those of the past.

LETTERMEN PROMOTE SPORTSMANSHIP . . .

What could be more impressive than a flashing smile from a good-looking member of the male sex. The boys of the Monogram Club posess not only the ability to charm, but the ability to obtain a letter in one or more of Cradock's varsity sports as well. It takes a great deal of time and hard work to become outstanding in any particular sport.

Does Cradock have school spirit? The answer is a definite "yes" with boys such as these wearing the maroon and gold.

Delta 'Tri-Hi-Y celebrated the end of the old year with a sock hop in the cafeteria. All officers wore red shirts with orange pants and did a special rain dance for all members and all guests. Every member was required to learn "We Love Delta", the Club's song, and croon to the guests at least three times during the night or until someone walked out. This project was a huge success; everyone agreed to have another next year—if there is still a Delta-Tri-Y.

INDUSTRIAL ARTS CLUB LEARNS BY DOING . . .

When Christmas came all the clubs were finding ways for raising money. Most of them were buying candy and selling it around the community. The Industrial Arts Club decided to make something and sell it. We organized a mass production line and made fifty note pads which were then sold to the faculty and students. These note pads are practical and helped to raise money for the Club.

THE PARENT-TEACHERS ASSOCIATION WORKS FOR THE STUDENT . . .

The objectives of the Parent-Teachers Association are to promote the welfare of youth in home, school, church and community; to raise the standards of home life; to secure adequate laws for the care and protection of children and youth; to bring into closer relation the home and the school, that the parents and teachers may cooperate intelligently in the training of the child; to secure between educators and the general public such united efforts as will secure for every child the highest advantage in physical, mental, social and spiritual education.

It is well known that the only way to talk in the library and get away with it is to be a library assistant. Mrs. Weaver co-operates by seeing no wrong that her assistants may do. It is not that assistants have nothing to occupy their time, because the library assistants are always busy trying to escape work. When Mrs. Weaver corners an assitant, she usually says "Shelve your books," or "I've sure got a fine typing project for you!" The help our library assistants give to students is absolutely immeasurable — as no doubt any student will tell you. But in all seriousness one must thank Mrs. Weaver for all her help in gaining a great deal of practical knowledge and for defending her assistance from "faculty hall patrols".

OFFICE PERSONNEL KNOWS NO LIMIT TO ASSIGNMENTS . . .

Mrs. Nance and Miss Miller, Office Clerk and Secretary respectively, are always at work.

"Why must those office assistants be so cheerful all the time?"

From 7:30 a.m. to 4:00 p.m. daily through all twelve months of the year, Cradock High School's administrative offices are the proverbial beehive of activity. Collecting money, paying bills, typing memos and reports, caring for incoming and outgoing telephone calls, checking absentee lists, and answering hundreds of questions are routine.

Office assistants carry much of the responsibility to assure a smooth-running office. Experience is gained in learning how to work with all kinds of people, in meeting the public, in accepting assignments and capably following instructions. Students apply each spring for office duties during scheduling. Eligibility is gained through passing grades, good attendance and dependability.

The Shipmate is supposedly a nine issue publication that comes out at irregular intervals depending upon the calamities the staff encounters.

The Shipmate this has been under the wise leadership of Mr. Rule, who works under the assumed title of advisor. Mr. Rule does advise the staff on such things as: skipping class, writing controversial editorials, printing candid pictures of Mr. Booker, and getting along with everyone! We sure are gaining experience.

LOG STAFF MEETS

Spattered with India ink, snowpake, and coke; littered with broken bottles, glue globs, ripped layout sheets and wads of after-school passes, the Log room stands silent. From this desolate battlefield there have emerged two exceptionally fine issues of Cradocks own literary magazine, **The Log.**

During the year, our spastic staff attempted to compile your creative efforts into an attractive and interesting literary publication. Without the expert guidance of our sponsor, Mr. Walter D. Graham, our inexperienced staff could never have succeeded in achieving this goal.

Hurry, hurry, hurry! — calls the photographer, get that copy-form, type this write-up! Passing room 236, one might hear directions like these and see a group of pictures and pages, covered with odd designs, spread all over the table. Next he would see a worried staff member trying to decide where each picture should go and to write a catchy caption for it.

Moreover, when the drive to meet the deadlines has been relaxed, the anxiety begins. Have we done our job to the best of our ability? Have we given you a book which you will appreciate now and in the years to come?

We have tried to interpret the school year as you, the student, see it, and it is our earnest hope that our endeavors have been successful.

Linda Mitchell addresses the Waterloo Awards.

BELLAMY AWARD 1962-63

Twenty years ago this coming October the 2nd Bellamy Award was presented to the Commonwealth of Virginia. Cradock High School will hold that honor for its state until 1993.

Columbus Day of this year the National Bellamy Award came of age when the West High School in Waterloo received the 21st annual Award for the state of Iowa. The Bellamy Award recognizes Francis Bellamy, the author of the Pledge of Allegiance.

Chosen to serve as official representative this year was Miss Linda Mitchell. Miss Julie Bateman served as alternate and delegate.

Upon her return Linda wrote: "When the chorus sang 'America the Beautiful,' I realized what a great privilege it is to be an American and what a tremendous responsibility the teenagers have to maintain in coming years, at all costs, the ideals upon which our country was founded. I shall never forget the Award ceremony. If everyone could witness such a ceremony, I think more people would become aware, as I did, of the heritage we have and our obligation to our country to see that the 'American dream' is someday realized."

Miss Cora Mae Fitzgerald, arrives at Waterloo airport with Miss Georgia Anne Winfield, representative from Pantego, North Carolina. They are greeted by Peg Dexter of West High School.

In the Waterloo Wahawks tradition, Linda and Julie bargain for tractors and sausage links.

A last laugh before the service.

Speakers—Reverend Carlton Long and Reverend Wilber Kersey

On June 9, we had only two more functions to do as a senior class, Baccalaureate and Commencement. The day was clear and we all looked forward to the service. The Reverend Carlton Long pronounced the invocation and benediction. Reverend Wilber Kersey told the class of the crises we must expect to face in life and that our lives will be determined by the way we faced these crises.

Now, we had only Commencement.
